We have designed this menu to showcase the best of what the local area has to offer, using the finest of local ingredients wherever possible. Our suppliers include Kelly's Butchers of Newport & Keem Bay Smoked Salmon who are both members of the Gourmet Greenway.

We have a talented team of chefs, led by our Head Chef, Chamila Mananwatta, who creates fantastic dishes to suit everyone's tastes. We are introducing our new "Curry Corner" where you will taste some authentic flavours of Sri Lanka, which is Chamila's home country.
